I. Read and confirmed the proceedings of the last meeting held on the 18th September 1916.

II. Read Revenue Secretary's letter No. 2132-4—L. B. 32-15-13, dated the 25th September 1916, requesting that necessary steps may be taken for the levy of the Railway cess in the District from the year 1916-17, for the Chikmagalur-Belur-Hassan line.

Resolution.—Mr. C. Lake on behalf of the South Mysore Planters' Association protests against the opening of the proposed Railway line on the ground that the traffic on this side is poor, that it will be advantageous to take up the line from Hassan to Saklespur and on to Chikmagalur *via* Mudgere, as it will open up the malnad and eventually facilitate the opening of an outlet to the West Coast which the Government have in view.

Several members support Mr. Lake's opinion and the opinion was divided on the question of the line, Mr. Thammaiya and a few others preferring the proposed line *via* Belur. In the meanwhile the Board think that the Government be requested to favour the Board with the probable cost of the line *via* Saklespur and Mudgere.

As regards the Finance the mere levy of half anna cess will not even cover the interest payable on the loan and so the Board consider that it will be better one to levy one anna cess. On this point the opinion of the Taluk Board will be called for before sending a reply to Government.

III. Read Senior Surgeon's letter No. 1464, dated the 23rd September 1916, informing the necessity for the establishment of a Maternity at Saklespur and requesting opinion of the District Board in the matter of meeting the quota of cost towards the proposal.

(*a*) Read Manjarabad Taluk Amildar's report No. 66, dated the 12th October 1916, forwarding copy of resolution of the Municipal Board expressing their inability to meet the Municipal quota of cost.

IV. Read Hassan Town Assistant Veterinary Inspector's letter No. 97, dated 19th November 1916, reporting that the breeding bull by name "Sankara" being nine years old is of very little use for breeding purposes and proposing to sell the same by replacing a new one during the cattle show at Hassan in January 1917.

Resolution.—Approved.

V. Read Saklespur Sub-Division Assistant Commissioner's yadi No. 170, dated 6th November 1916, forwarding an estimate amounting to Rs. 11,350 for constructing a masonry bridge across Kaganur halla in Manjarabad Taluk.

Resolution.—The question will be deferred.

VI. Read Hassan Division Executive Engineer's letter No. 461, dated 23rd November 1916, requesting revision of the programme of important bridges proposed to be constructed in the Hassan District in the order of their urgency.

Resolution.—It is brought to the notice of the Board that only Rs. 50,000 was promised as contribution. Resolved that steps be taken to collect the same.

VIII. Read Government Order No. 3548-9—L. B. 19-16-4, dated 2nd December 1916, sanctioning the levy of fees in the Dodhalli santhe in the Hole-Narsipur Taluk at the rates sanctioned in Government Order No. 6415-7—L. B. 366-09-4, dated 22nd February 1913.

IX. Read correspondence ending with Channarayapatna Sub-Division Officer's yadi No. 401, dated 4th August 1916, reporting the undesirability of establishing a Santhe at Harnhalli as prayed for by the petitioners as it will interfere with those at Janagal-Gandasi and Arsikere, which are within a short distance.

Resolution.—The Board think that the establishment of a Santhe at Harnhalli is unnecessary.

X. Read correspondence ending with Channarayapatna Taluk Amildar's report No. 375, dated 26th September 1916, recommending sanction to a supplemental bill amounting to Rs. 12-7-0 being the pay due to K.
